Agenda Items:

- Awaiting meeting schedule with Rafay Systems on the selected project.
- Awaiting access to the project data.

Risks:

- Dashboard Visualization will be delayed as the data is not received as of 17th Nov'23. Requesting urgent attention on this matter.
- We have not seen the Data model or structure of the data set yet, so the Data analysis/Data Understanding may also take time if there are too many tables or joins involved.
